<b>Name of Organisation/School</b>	
<b>Name of Contact Person</b>	
<b>Designation</b>	
<b>Mobile No.</b>	
<b>Email</b>	
<b>Address</b>	
<b>Brief Description of Organisation (in not more than 200 words)</b>	

**PART B: ACHIEVEMENTS / CONTRIBUTIONS / PROJECTS  
WITHIN THE SOUTH WEST DISTRICT IN 2022**

**How does the organisation promote environmental and community sustainability within the South West District?**

**How does the organisation promote environmental practices within and beyond their own working organisation?**

**How does the organisation promote the goals under Sustainable South West?**

(Please include environmental achievements/contributions/projects by your organisation based on relevancy to the goals of the Sustainable South West. More information on the masterplan can be found [here](#))

Examples of initiatives relevant to each goal are listed below:

***Building Awareness and Relevance***

- *Show evidence of organisation's efforts to raise awareness about environmental topics. e.g. campaigns, publicity materials or virtual outreach.*
- *Bonus: Online event can be done in a virtual way via zoom / Making mini video clips on the goals under Sustainable South West for schools/ organisations*

***Goal 1: Our Active, Gracious People***

- *Organise at least one eco-initiative for the community to promote volunteerism and community bonding among students/staff and the community*
- *Examples of eco-initiatives include Day of Service @ South West, eco craft activities, sustainability, or nature tours for vulnerable groups*
- *Organisation can tap on the South West ECo Fund Plus for their projects*

***Goal 2: Our Clean, Green Spaces***

- *Start up a community garden in your organisation's premises*
- *Volunteer at community gardens located in South West District*
- *Clean-up activity with the community. The clean-up activity needs to be organised within the South West District*

***Goal 3: Our Smart Homes***

- *Conduct a project in relation to smart homes e.g. energy audit using smart devices, encourage adoption of smart devices to save energy, create awareness on green energy saving innovations or smart living habits*

**Goal 4: Our Green Rides**

- Conduct initiatives to increase awareness of car-lite lifestyle and promote green modes of commute

**Goal 5: Our Zero Waste**

- Conduct at least one initiative to increase awareness of proper waste management e.g. recycling drive, e-waste recycling, educational campaigns on 3Rs, recycling learning journeys or tours for schools and community organisations
- Bonus: Create videos or clips to raise the awareness or give educational tips to recycling for schools/ organisations

**Name of Project** (please insert additional rows for each new initiative):

**Description of Environmental Achievements / Contributions / Projects:**

What did the organisation do and how does it fulfil the goal(s) of the Sustainable South West?

**Outcome of Achievements / Contributions / Projects:**

What are some of the environmental and community achievements and outcomes achieved by the organisation? Describe outcomes and outreach.

**Year / Month of Project:**

**Other Environmental Award(s) received by nominee (if any):**
